Westinghouse Electric Corporation
Friendship International Airport
Baltimore 27, Maryland

Attention: Sales Engineer

Gentlemen:

Reference is made to Contract No. TA-3034, dated 28 May 1957, for the design, development and construction of a flyable model of a Terrain Avoidance System, at an estimated contract price of \$525,429.

Effective 12 March 1958, delegation of responsibility for technical guidance and direction of the Contractor's performance of the contract and acceptance of the contract work is hereby transferred to the Wright Air Development Center.

of the Terrain Avoidance Section, Radar Branch, Weapons Guidance Lab., WADC, are hereby designated as Contracting Officer's authorized representatives for carrying out this responsibility.

Administration of the contract and payment of the Contractor's vouchers, within the present monetary limits of the contract only, will continue as responsibilities of this office. The Contracting Officer's representatives designated herein will, upon request, furnish the Contracting Officer such information pertaining to the status of technical performance of the contract work as may be necessary for proper administration and payments under the contract.

In continuing work on Contract No. TA-3034 under the technical cognizance of WADC, the Contractor cannot look to this office or to the undersigned Contracting Officer for payment of any amount under the contract in excess of the estimated contract price of \$525,429. Authorization for any overrun of cost necessary for performance of
